

Gate Safe Aware Supporter

Code of Conduct

As a Gate Safe Aware Supporter you will agree to:

- ✓ Encourage and promote good practice within the gate automation industry
- ✓ Educate your customers on the importance of automated gate safety
- ✓ Support the safety protocol for automated gates (and barriers) as defined in the Gate Safe guidelines
- ✓ Instill in customers the importance of working with a qualified electrician with three years experience to make the final electrical connection to the mains supplier
- ✓ Support the importance of working with Gate Safe Aware installers to ensure a compliant installation / to prevent any further accidents occurring
- ✓ Act professionally at all times and do nothing to bring the Gate Safe name into disrepute
